2nd Annual

Turn Out Bull Sale

25 Registered Yearling Bulls
15 Commercial Open Heifers

Greetings Ranchers,

Welcome to the Bruner Angus Ranch 2nd Annual Turn Out Bull Sale. This sale will again be held at Rugby Livestock Auction in Rugby, ND. We're excited about this sale offering as we are looking forward to green grass and turning out the cows for another year.

This year we will be offering 25 yearling bulls and 15 commercial open heifers. When we weaned calves in September is when we made the decision these would be the bulls for our June sale. These bulls and heifers have never been offered for sale and display the quality that we are looking to provide to our customers. The bulls are from some of the breeds freshest AI sires, and top producing herd bulls at Bruner Angus Ranch. They have all passed semen test and are ready to work.

The commercial open heifers are from a select group of commercial cows that we run. They are all sired by our own home raised herd bulls and have been developed and handled with our own replacement females. These heifers will make a great addition to anyone's herd.

Two bulls in this offering that deserve special attention are Lot 1 and Lot 2. Lot 1, BAR Intuition 7171, has the heaviest actual weaning weight of our entire calf crop this year. Along with his impressive individual performance, his i50K test confirmed this bull was special. He came in with 4 EPD categories in the top 1% of the breed: WW, YW, RE, and \$W, along with 3 EPD categories inside the top 5% of the breed: CW, \$F, and \$B. Lot 2, BAR 3114 Regis 7012, is the natural born calf from one of our donor cows that had two bulls in our February sale that averaged \$6,000. Lot 2 is sired by a Coleman Regis bred herd bull we raised and is out of a cow that is also an elite donor for us. This bull is impressive in his make-up and will produce the type of females you will want to keep!

We will again have videos of the bulls online at www.dvauction.com, and if you can't make it sale day, online bidding will be available at the same website.

We understand this is a very busy time of year, and we feel this is a great opportunity for you to take final inventory of your herd bulls, get them semen tested and turn out one of these high-quality bulls in your pasture.

If you have any questions, please don't hesitate to contact us. We'd be happy to discuss your herds needs and find a good fit for you.

See you at the sale!

The Bruner's

Online Bidding
This sale will be broadcast live on the internet. **The sale will be broadcast live through DVAuction.com which offers real-time bidding options. For information, contact DVAuction at (402)316-5460 or dva@dvauction.com.**

Volume Purchase Discount
The volume discount will be \$100 per bull after the third bull is purchased.

Retained Interest
Bruner Angus Ranch will retain 1/3 semen interest in all bulls.

Breeding Guarantee
A full 60-day breeding season guarantee, from the date of turn out, will be given for any bull selling for \$3,000 or more, for any injury that would keep them from being a breeder for the first breeding season. This does not cover injuries prior to the breeding season. If a problem occurs we will provide a suitable replacement, or you will receive full credit, minus \$2,000, towards a purchase in next year's sale. The guarantee does not cover death as that is insurable. Injury or death prior to delivery of the bull is not the responsibility of Bruner Angus Ranch, also insurable. All bulls have passed a breeding soundness exam and are ready to work for you.

Delivery
We are offering free delivery within the state of North Dakota. For bulls going outside of North Dakota, we will help coordinate delivery to get the bulls to you as economically as we can.

Bull Vaccination Program
At branding and weaning time these bulls received 7-way, Bovishield Gold 5, and One Shot Pasturella.

Sale Day Lunch
Complimentary lunch special will be served.

* Lot 1 - BAR Intuition 7171

- heaviest actual weaning weight of our entire calf crop this year
- impressive individual performance
- i50K tested 4 EPD categories in the top 1% of the breed: WW, YW, RE, and \$W, and 3 EPD categories inside the top 5% of the breed: CW, \$F, and \$B

** Lot 2 - BAR 3114 Regis 7012

- natural born calf from one of our elite donor cows that had two bulls in our February sale that averaged \$6,000
- sired by a Coleman Regis bred herd bull we raised
